Client Responsibility

The client agrees to return the bicycle in the same condition in which it was rented. Any damage caused to the bicycle during the rental period will be deducted from the deposit. If the damage exceeds the deposit, the client agrees to pay the remaining amount.

The client must take care and take all necessary precautions to protect the bicycles and rented equipment or accessories from damage, loss, or theft. If any of these situations occur during the rental period, the client will immediately assume all replacement costs. The client agrees to lock and secure the bicycles at all times. It is recommended to keep them under supervision whenever possible.

Disclaimer of ALBIR CYCLING SL

ALBIR CYCLING SL is not responsible for claims arising from accidents, injuries, or damages that occur during the rental period.
