

**TERMS AND CONDITIONS:**

Upon signature of the contract, the client accepts that the bicycle is in a suitable condition for its use and that it has a correct setup.

The client is responsible to return the bike in the same conditions as it has been rented out. Any costs due to damages that have arisen during the rental period will be deducted from the deposit provided by the client. If the costs are higher than the deposit provided, the client is responsible to pay the outstanding amount.

The client agrees to take every necessary precaution to protect the bicycle, equipment, and accessories from damage, theft, or loss. Should any of the aforementioned situations arise, the client agrees to reimburse ALTEA BIKESHOP for any resulting costs. The amount to be reimbursed is the equivalent of the market cost of the bicycle, equipment, or accessory. The client is obliged to keep the bicycle chained up when it is not in use. It is recommended to keep the bicycle under the client's surveillance whenever possible.

ALTEA BIKESHOP is not responsible for any claims made as a result of an accident, injuries, personal injury or injuries to third parties or their belongings, as well as loss of belongings, during the rental period. Upon signature of this contract, the client agrees to dispose of sufficient financial funds to cover any risks that are not covered by the aforementioned insurance. The client is fully responsible to follow the laws of traffic. Failure to do so is the sole responsibility of the client.

In case of punctures or any other equipment failure, the client is responsible to bring the bicycle to the workshop at their own expense. ALTEA BIKESHOP has an emergency service at the client's disposal, but the client will have to cover any costs associated with this service. The client agrees that all associated costs of repair, as well as replacement, will be deducted from the deposit provided by the client. ALTEA BIKESHOP will provide a similar bicycle only upon availability.

The personal data collected from the client is exclusively used to provide the contracted service. The client has the right to request its amendment or deletion of said data and can do so using any communication channel to ALTEA BIKESHOP.

Should there be any disputes, both parties agree to submit to the jurisdiction of the courts of Benidorm.
